

College of Alameda

555 RALPH APPEZZATO MEMORIAL PARKWAY • ALAMEDA, CA 94501

Welcome to College of Alameda!

Fall 2008 is going to be an outstanding semester! First of all you have joined us to pursue your educational goals – we are so proud that you have chosen College of Alameda (COA), and on behalf of our faculty and staff, I extend to you a warm welcome.

You join a long list of successful College of Alameda alumni – students who have achieved their objectives by focusing on their vocational, transfer, or basic skills education at our exceptional college. These success stories include:

Stella Carakasi graduated from our Apparel Design and Merchandising Program (ADAM). She is the co-owner of Two-Star Dog in Berkeley, a profitable men's and women's sportswear clothing company.

Diana Johnson, UC Berkeley graduate, founded the MINDS program at Cal to support more students of color to apply for admission to the University of California. She came back to COA – her alma mater – to help more students attend UC.

Walter Robinson transferred from College of Alameda to CSU, Fresno, where he obtained his Bachelor of Science degree. Now he is the Director of Undergraduate Admissions at the University of California at Berkeley.

Hanh Truong, Ph.D., is a Service Chief at the Orange County Health Care Agency and adjunct professor at CSU, Fullerton. He holds a Ph.D. in clinical psychology. While a COA student he served as a peer counselor in our EOPS program.

College of Alameda has helped our graduates unlock their potential, thereby preparing them to move into advanced degree studies or into lucrative careers. The entire College of Alameda family is confident that our "culture of caring" coupled with our high-quality instructional programs and comprehensive student services will contribute to your success. We are glad you are here!

Sincerely,

Cecilia Y.M. Cervantes, Ph.D.
President

MAJOR PROGRAMS OF STUDY AT COLLEGE OF ALAMEDA

APPAREL DESIGN & MERCHANDISING (ADAM)

The ADAM program is designed to prepare students for entry-level employment in the apparel industry. Topics of study include textiles, apparel design and construction, pattern production, and custom tailoring.

AUTO BODY & PAINT (AUTOB)

The Auto Body and Paint program prepares students to enter the job market as trained and qualified technicians, and allows students to continue toward a Baccalaureate degree in advanced schools of technology, as teachers, or to broaden their skills in management, design or business.

AUTOMOTIVE TECHNOLOGY (ATECH)

The Automotive Technology curriculum is designed to prepare students for employment as apprentice auto mechanics or to allow students to continue toward a Baccalaureate degree in other advanced schools of technology.

AVIATION MAINTENANCE TECHNOLOGY (AMT)

The Aviation Maintenance Technology program, provides the opportunity for students to qualify for the Airframe and Powerplant License upon satisfactory completion of required coursework and successful passage of the FAA examinations. Last year the AMT department inaugurated a new evening program (4:30-10:30 p.m.), which allows students to finish in two years of full-time study or to study part time.

Regular attendance is mandatory for all Aviation Maintenance Technology (AMT) classes. Federal Aviation Administration (FAA) regulations permit a student to be absent a total of 10% of the class time before being dropped from the course.

BUSINESS (BUS)

There are three options in business: Accounting, Business Administration, and Office Administration. Confer with a counselor or division dean concerning the specific pattern of requirements for each program.

COMPUTER INFORMATION SYSTEMS (CIS)

The Computer Information Systems (CIS) program prepares students for entry-level business positions requiring the use of computer applications. Cisco Networking Academy courses prepare students for Cisco Certified Network Administrator and Cisco Certified Network Professional examinations.

DENTAL ASSISTING (DENTL)

This full-time curriculum will prepare students to assume the responsibilities of assisting the dentist in all phases of general practice. The program includes clinical experience in the dental clinics of the University of California and the University of Pacific Dental Schools in San Francisco and in private dental offices.

DIESEL MECHANICS (DMECH)

The Diesel Mechanics program in heavy-duty truck and diesel mechanics prepares students to enter the job market as beginning mechanics or apprentices in this field, and allows students to continue their education toward the Baccalaureate degree in advanced schools of technology.

LIBERAL ARTS (LBART)

The AA degree with a Liberal Arts major prepares students to transfer to the University of California and California State University systems and to private colleges. The program includes courses that fulfill lower division university general education requirements.

College of Alameda's NEW Student Administration System

STEPS FOR ENROLLMENT - New and Former Students -

STEP 1 - Apply for Admission

1. Go to **www.peralta.edu**
2. Click the **Enroll Now** link.
3. Click the **Apply for Admissions** link.
4. Follow the CCCApply instructions to complete and submit your online application.
5. Once you complete your application, a message will be sent to your personal email or an email assigned to you by CCCApply. The message you receive will give you instructions for how to log into your Student Center, where you will eventually enroll for your classes.
6. You are now ready to complete the Matriculation requirements of Assessment, Orientation & Counseling. If you have been notified that you are exempt from the Matriculation requirements, proceed to Step 4 "Class Enrollment."

STEP 2 - Complete Assessment & Orientation

Assessment

Assessment in English or English as a Second Language (ESL) and mathematics will be used by counseling faculty to help you choose your classes.

Orientation

You will attend an orientation program designed to familiarize you with the college and its services.

STEP 3 - Complete Counseling & Advisement

See a counselor to help you to develop an educational plan and select appropriate courses based on your objectives and assessment evaluation (non Peralta transcripts, assessment test results and other information provided by you).

STEP 4 - Class Enrollment

1. Go to **www.peralta.edu**
2. Click the **"Enroll Now"** link.
3. Click the **"Activate My Account"** link.
4. Follow the instructions to activate your account and proceed to log into the PASSPORT Student Administration System.
5. Click the **"Student Center"** link.
6. Under "Enrollment Dates", click the **"Open Enrollment Dates"** link. (New students can only enroll during the Open Enrollment period.)

7. When you are eligible to enroll, click the **"Add a Class"** link and follow the instructions.
8. To drop a class, click the **"Drop a Class"** link and follow the instructions.

Note: Exemption from Matriculation

Students may be exempt from the matriculation process at the Peralta Colleges under the following conditions:

1. Student has earned an Associate or higher degree from an accredited institution; or
2. Student is enrolling in fewer than 12 units and has declared one of the following educational objectives: Discover/formulate career interests, plans, goals; or Prepare for a new career (acquire job skills), or Advance in current job/career (update job skills); or Maintain certificate or license (e.g. nursing, real estate); or Acquire educational enrichment (intellectual, cultural); or Complete credits for high school diploma.

Exemption from Assessment Component Only

Students meeting at least one of the following conditions shall be exempt from the assessment component:

1. Student has successfully completed (grade C or higher) college-level English and Mathematics courses (transcript or grade report required); or
2. Student has, within the last three (3) years, taken an assessment test that can be used by Peralta staff to determine suitable placement in English and Mathematics. Students who have received services for a learning disability in the last three years at any California community college, may be exempt from the assessment component. If this applies to you, call the DSP&S office as soon as possible and make an appointment to see a counselor.

NOTE:

All students may participate in any of the matriculation components, even though they qualify for exemption. The District Prerequisite Policy is enforced for all students, regardless of Matriculation status.

ADMISSION INFORMATION

Who May Register

All persons 18 years of age or older are eligible for admission as a California resident or nonresident. Anyone under 18 years of age who is a high school graduate or has been awarded a GED or California High School Proficiency Certificate may also enroll.

High School/Concurrent Enrollment

In accordance with California Education Code regulations, high school students may enroll as special part-time students. Enrollment must be recommended by their principal, with parental consent and approval by the Associate Vice Chancellor of Admissions and Student Services. Units earned will be granted as college credit. It is the high school's prerogative to grant high school credit for courses taken from the Peralta Colleges.

A high school student who wishes to take an English, Math, or ESL class must participate in Assessment. A high school student whose high school counselor recommends that the student enroll in more than six units must have the approval of the Vice President of Student Services.

Residence Requirements

A person must have lived continuously in California for at least one year immediately preceding the residence determination date to be considered a resident for tuition purposes. Evidence must also be provided to indicate that the person has intent to make California his/her permanent home. The residence of an unmarried minor is that of the parents or legal guardian. The residence determination date is the day before a term begins for which the person is applying for admission. It is the student's responsibility to clearly demonstrate both physical presence in California and intent to establish California residence.

Nonresident Fee Exemption for Students Without Legal Immigration Status (AB540)

Nonresident students who meet the following criteria are exempt from nonresident and capital outlay fees:

1. The student must have attended a California high school for three years or more.
2. The student must have graduated from a California high school or attained the equivalent (e.g. GED or proficiency exam).
3. The student must file an affidavit with the college that indicates the student has applied for legalization or will apply as soon as he or she is eligible, IF and only if, the student is without lawful immigration status.

Military Residence Exemption

Nonresident U.S. military personnel and on active duty in California (except those assigned for educational purposes to state-supported institutions of higher education) and their dependents are granted a waiver of Nonresident Tuition until they are discharged from the military service.

International Students

Special regulations govern the admission of foreign students. These students should contact the office of International Education for applications and admissions at (510) 466-7380, or FAX (510) 465-3257. The Office is located in the Peralta Community College District building, at 333 E. 8th Street, Oakland, CA 94606.

FEE/REFUND INFORMATION

NOTE: High school students admitted on a part-time basis upon recommendation of their principal are exempt from paying the fees listed below (except parking fees).

California Community College Enrollment Fee

All students are required to pay a California Community College Enrollment Fee of \$20 per unit for the semester, to be collected at the time of enrollment into classes.

Campus Center Use Fee

All students are required to pay a Campus Center Use Fee of \$2 per semester, to be collected at the time of enrollment.

Nonresident Tuition

Students who are not legal residents of California for one year and one day prior to the first day of the term will be charged Nonresident Tuition at the rate of \$172 per semester unit, in addition to the Enrollment Fee and Campus Center Use Fee.

Nonresident Capital Outlay Fee

Nonresident students who are both citizens and residents of a foreign country will be charged a Nonresident Capital Outlay Fee of \$6 per semester unit (maximum of \$144 per year), in addition to all fees listed above.

Refund Procedure

- Students will receive a full refund for any class cancelled by the college.
- No refund will be made to any student on or after Census Day of the term (September 8, 2008, for Fall Semester).
- See the Peralta Colleges schedule for details of refund procedure early in the term.

Parking Fees

Daily parking is \$0.50 a day (two quarters, exact change only) plus (new policy) student decal for enrolled/registered students. Semester parking can be purchased for \$20.00 (\$10.00 for a motorcycle permit) and \$10.00 for summer session permit (\$5.00 for a motorcycle permit).

COLLEGE OF ALAMEDA ANY TIME, ANYWHERE

ALTERNATIVE SCHEDULES FOR BUSY PEOPLE

You work 9-to-5, but want to start on a college degree? Or prepare for a skilled technical job?

You have just one or two courses left to get your diploma, and don't want to spend another whole semester in school?

You want to work on your degree from home, with flexible hours?

You missed the enrollment deadline, but would like to take a course this semester?

In addition to our regular courses, College of Alameda offers special programs to fit your busy schedule:

- **Weekend College**

Complete lower-division university transfer requirements by taking up to 15 units a semester on Saturdays and/or Sundays. Sessions begin at several times during the semester and last between 3 and 17 weeks. See page 21.

- **Online and Hybrid Courses**

Study from home! College credit courses at the regular tuition fee of \$20 per unit, or a large selection of noncredit fee-based courses that include 12 lessons spread over 6 weeks. See page 24.

- **Flexible Evening Program in Aviation Maintenance Technology**

New flexible evening training program leads to certification as an A&P mechanic. Work during the day and prepare to become a certified aviation mechanic with full or part time study in the evening. Short-term courses meet from 4:30 to 10:30 p.m. Program approved by the Federal Aviation Administration (FAA) and Federal Communications Commission (FCC). Beginning students admitted Fall 2008. See page 29.

- **Late-Start Courses**

Some departments offer short-term courses beginning at various times during the semester. Look for late-start courses in the main course listing.

- **Winter and Spring Intersessions**

Intensive courses meet daily for 3 weeks during winter break and between spring and summer sessions. Most courses are transferable to UC and CSU. See page 19.

Financial aid is available.

For information, go to www.alameda.peralta.edu/finaid or stop by the

College of Alameda Financial Aid Office in Room A-124C.

This is a program designed for students who are unable to attend college during weekdays or evenings. It is possible for a student to complete a full load, 15 units, without ever setting foot on campus during the week. Completion of the weekend college transfer program will permit a student to transfer from a community college to a campus in either the California State University or the University of California system or to some independent colleges and universities without the need, after transfer, to take additional lower-division general education courses. Students planning to transfer should consult with a College of Alameda counselor early to develop an educational plan.

College of Alameda, in partnership with Education To Go, offers a wide range of highly interactive courses that you can take entirely over the Internet. All online courses require Internet access, e-mail and Netscape or Microsoft Internet Explorer web browser. Some courses may require special software or supplemental textbooks. Courses run for six weeks and consist of 12 lessons. Lessons are supplemented by interactive quizzes, assignments, tutorials and online discussions. For complete course descriptions and to enroll go to: www.ed2go.com/alameda or contact coa-ed2go@peralta.edu.

Please note: Ed2go courses are fee based classes and are not covered by Financial Aid or by the Board of Governor's Fee Waiver (BOGG). These are non-credit classes. Grades will not be posted on your transcript.

Classes begin every month. Check website for 2008 class dates.

Alameda Science and Technology Institute (ASTI)

A Partnership between Alameda Unified School District
and College of Alameda

What is ASTI?

ASTI is an Alameda Unified School District small high school with an accelerated and rigorous college preparatory curriculum. The school is now co-located on the College of Alameda campus. It provides qualified students with a high school diploma and, potentially, up to two years of college credit by the time they complete their four-year high school education. ASTI was one of the first “early college high schools” in the State of California: currently there are more than twenty ECHS schools in operation throughout the state and more being implemented each year.

In the 9th and 10th grades, ASTI students take predominantly high school courses, transitioning to full-time college course loads in the 11th and 12th grades. ASTI’s thematic focus is one that emphasizes the importance of science and technology, but its high school curriculum is marked by a clear focus on the importance of literacy as manifested through intensive instruction in reading, writing and speech: thus, ASTI students enroll in two years of intensive writing courses to better prepare them for college enrollment and the work that is demanded of college success.

What are the benefits of attending ASTI?

- * The opportunity to earn up to two years of IGETC college transfer credits while in high school
- * A small personalized learning environment with high expectations in achievement and behavior
- * Increased learning opportunities via dual enrollment in junior and senior years of high school
- * A program that scaffolds student learning for an easier transition to post-secondary education

Who should apply?

To apply, a high grade point average (GPA) is not a requirement, but a high level of motivation to tackle a rigorous and challenging curriculum is mandatory. Open to all East Bay students, ASTI adheres to the Early College High School Core Principles and thus encourages applications from low-income young people, first-generation college goers, English language learners, students of color and students who are capable but who may have not realized their potential in school.

How to apply?

Application packets and contact information are available at ASTI’s website at www.ASTIschool.com.

FALL

CAMPUS POLICIES

Class Start and End Times

Students are expected to be in class, prepared for instruction, at the designated class starting time. Instruction will end ten minutes before the hour. (Example: A one-hour class scheduled to meet at 10:00 a.m. will begin at 10:00 a.m. and end at 10:50 a.m.)

Bookstore

Purchasing Textbooks

Textbooks may differ between sections. In order to ensure that you purchase the correct textbooks, please bring a copy of your schedule when you come to the Bookstore. You can also purchase your textbooks online at www.coa.bkstr.com. When purchasing online you can choose to have your books held for pick up at the COA Bookstore, or for a fee they can be delivered directly to your home or business.

Payment

The COA Bookstore accepts cash, credit cards (MasterCard, Visa, Discover, or American Express) or EOPS vouchers for purchases. Checks are not accepted, unless they are checks issued by the Department of Rehabilitation.

Textbook Return Policy

Refunds will be gladly given, when:

You provide a register receipt with the book. The book is in new condition. Sorry, no writing, notes, or underlining in the book. If returning shrink-wrapped sets make sure all items are enclosed. Please be careful before opening shrink-wrapped sets. Many contain electronic media and are only returnable if they are defective.

The last day for a refund with a receipt is Wednesday, August 27. The last day for a refund with a receipt **AND** a schedule showing the class as dropped is Wednesday, September 3.

Other purchases may be returned for full refund by Wednesday, September 3, 2008; thereafter, within two days of your purchase date.

Textbooks purchased during "finals week" (or during the last week of classes) are not returnable for a full refund.

Buyback Policy

The resale value of a textbook depends on supply and demand. If your book is being reused on campus, we will offer 50% of the purchase price. If not, a wholesale value will be offered based upon edition and need.

Instructional and Other Materials Fees

During the first week of instruction in some courses or Certificate programs, students will be provided with a list of required tools and/or materials which each student is expected to obtain and which will be of continuing use to the student upon completion of the course or program. Students are asked to pay for printing in the library and Learning Resources Center.

Library Use

Your College of Alameda photo identification card for the current term is your library card and your access to the labs in the Learning Resources Center labs. You are responsible for returning borrowed materials on time and for paying a charge for lost or severely damaged materials. (Circulating materials are considered overdue when not returned by the date stamped on the material.) Failure to meet these obligations will result in a "hold" on student's grades, transcripts, diplomas, registration and borrowing privileges. A library "hold" can be removed when overdue library materials are returned and/or all charges are paid.

Smoking Policy

There is no smoking allowed on the College of Alameda campus.

Student Grievance and Due Process Policy

The Peralta Colleges have developed procedures and channels by which a student may request a hearing for any appropriate grievance. A student has the right of protection and may initiate a grievance action in accord with official district guidelines. A student is responsible for complying with all college regulations as established by the instructor for each course in which he or she is enrolled. College of Alameda and the district office shall insure that a student is accorded due process as stated in the written procedures of the college governing cases of admission, probation, suspension or dismissal. For more information or for help in filing a grievance, go to the office of the Vice President of Student Services.

Dishonesty, i.e., cheating, plagiarism or furnishing false information to the college, forgery, alteration or misuse of college documents, records, or identification documents, is a violation of the Student Code of Conduct and may result in disciplinary action.

Units

Academic credit earned at College of Alameda prior to Fall 1995 was computed in quarter units. To convert quarter units to semester units, divide by 1.5: $3 \text{ quarter units} \div 1.5 = 2 \text{ semester units}$. To convert semester units to quarter units, multiply by 1.5: $2 \text{ semester units} \times 1.5 = 3 \text{ quarter units}$.

Veterans Benefits

Veterans who desire to utilize their Montgomery G.I. Benefits should contact the College of Alameda Veteran's Affairs Office. Initial applications can take from six to eight weeks for processing. If you need benefits prior to the start of a semester, please contact the Veteran's office four weeks before the start of the semester to set up an early appointment. During the semester, Attendance Verification and Instructor Signature forms are due on a monthly basis. Failure to submit the proper paperwork on a monthly basis will result in an interruption of your Montgomery G.I. Benefits.

The Peralta Community College District contracts police services with the **Alameda County Sheriff's Office**, to provide patrol services for the College of Alameda.

Peralta Police Authority

Deputies assigned to the Peralta Community College District have peace officer authority, i.e., the same authority as municipal police officers, pursuant to section 830.1 of the California Penal Code. Sheriff Technicians also are employed by Police Services, but do not have peace officer authority. Peralta Police works in partnership with and will request assistance from the Oakland Police Department, Alameda Police Department or the Berkeley Police Department for incidents which require resources not readily available at Peralta Colleges.

Peralta Police Services joins the entire Peralta College Community in welcoming you. The goal of our department is to provide the safest possible environment for all campuses, so everyone can enjoy all of its facilities. Although your safety is our major concern, we also monitor fire and intrusion alarms as well as enforce parking regulations. Calls for service are prioritized and response time will vary with the location, nature and urgency of the situation.

Crime Prevention

Crime prevention is the responsibility of all staff and students. Members of the campus community should be aware of their surroundings and of circumstances which seem out of the ordinary. Willingness to look out for each other and to report all suspicious individuals or activities to the campus police will assure that the campus will be a safe, secure place to work and to study.

An awareness of the following crime prevention pointers, together with your own common sense, will help reduce the opportunity for others to commit a crime against you.

- Lock your car, office or residence whenever leaving it.
- Keep your car or building key ready in your hand.
- Avoid unnecessary hazards of poorly lighted or unfamiliar areas.
- Know the locations of telephones and "Blue Phones" on campus.
- When working after hours, notify Police Services of your location. Lock all doors leading to the area you are in.

Questions, suggestions and/or concerns regarding Campus Safety and Security may be directed to Police Services at (510) 465-3514.

Weapons Policy

The unauthorized use, possession or storage of weapons, fireworks, or explosives is prohibited on any Peralta College premise (including vehicles) or at any Peralta Community College-sponsored activity. Weapons may include, but are not limited to, firearms, pellet guns, bows and arrows, martial arts equipment, switchblade knives, swords, large knives, and clubs.

Parking & Traffic Regulations

All provisions of the California Vehicle Code apply to individuals and to vehicles being driven on and about campus property and parking lots. All vehicle codes, including 21113 C.V.C., are strictly enforced. The speed limit is 5 m.p.h. in campus parking lots and property. Students may only park in designated student parking areas.

Illegally parked vehicles will be cited and/or towed at the owner's expense. For towed vehicles, contact Peralta Police Services at (510) 465-3456. Parking violations are enforced 24 hours a day, seven days a week, including holidays.

College officials do not have the authority to rescind or to arbitrate citation matters.

Students must not park in staff parking areas, red zones, yellow (loading zones), green 30 minute zones or in other unauthorized areas. Disabled student parking areas are available and posted with blue paint and handicapped parking signs.

Disabled students must properly display their daily or semester parking permit along with their D.M.V. issued handicap placard and/or handicap license plate.

Staff must properly display their staff parking permit along with their D.M.V. issued disabled placard and/or disabled plate.

Daily parking permits expire at 10:45 p.m. each night and the parking lot gates are locked and secured at 11:00 p.m. each evening. Overnight parking is not authorized and vehicles will be towed at the owner's expense. (Contact Peralta Police Services for towed vehicles at 510-465-3456).

Semester parking permits may be purchased for the student parking at College of Alameda campus for \$20.00 (\$10.00 for motorcycles). The summer session rate is \$10.00 for cars (\$5.00 for motorcycles). Rates are subject to change.

You may choose to pay for parking on a daily basis, rather than purchasing a semester permit. The cost of daily parking is \$0.50 cents per day (exact change only). The daily permits may be purchased from the ticket machines located in the parking lots.

Emergency Blue Phones

Emergency outdoor blue phones have been installed in various locations on the campus for your protection and use. The presence of these phones on campus cannot guarantee your safety, but can play an important role in your personal security and the security of the campuses in general. If you are new to the Peralta Community College District, familiarize yourself with the location of the blue phones along your routes.

In the case of an emergency, press the RED emergency button. This will connect you directly with Peralta Police Services Dispatch. The RED button may be activated in situations where you or someone else is being physically threatened; you are being followed and feel uncomfortable or anxious; an accident has occurred and assistance is needed or any other situation that you feel may require an emergency response from the police.

VANDALISM OR UNWARRANTED ACTIVATION OF AN EMERGENCY BLUE PHONE JEOPARDIZES THE SAFETY OF OTHERS. FOR THIS REASON, THESE ACTIONS WILL BE TAKEN VERY SERIOUSLY BY PERALTA POLICE. MISUSE OF THE TELEPHONES MAY SUBJECT YOU TO DISCIPLINARY OR LEGAL ACTION.

Pursuant to the Jeanne Clery Act, campus crime statistics may be found at www.opc.edu/security and in the "Personal Safety on Campus" brochures, located on each campus and at Police Services (333 East 8th Street, Oakland).

(See the "Personal Safety on Campus" brochures for further details on safety, security and "Jeanne Clery Act" information.)

FINANCIAL AID

College of Alameda has financial aid programs designed to fit a variety of circumstances facing students. You are encouraged to stop by the Financial Aid Office located on campus in the Cougar Village portables (A-124C) to obtain information and necessary application forms to receive Financial Assistance.

AM I ELIGIBLE FOR FINANCIAL AID?

Financial aid is available for vocational as well as academic training at College of Alameda. General eligibility requirements are that you:

- Are a U.S. citizen or eligible non-citizen
- Have a high school diploma or a GED certificate, or pass an independently administered test approved by the U.S. Department of Education
- Demonstrate a financial need
- Be enrolled as a regular student and declare a program of study
- Have a valid Social Security Number
- Maintain satisfactory academic progress
- Register with Selective Service, if required
- Not be in loan default or owe a refund on a grant

WHAT KIND OF AID CAN I EXPECT?

Financial aid is usually a combination of grants, loans and work study.

HOW DO I APPLY?

Apply for financial aid early, so as not to miss any deadlines.

1. Complete a Free Application for Federal Student Aid (FAFSA).

This application is necessary to determine your eligibility for most scholarships, loans, etc., not just federal aid. Staff members in the Financial Aid Office (Room A-124C in Cougar Village), can help you apply online at www.fafsa.ed.gov.

2. Get a PIN

If you are submitting the FAFSA online, before beginning the application you must apply for a U.S. Department of Education personal identification number (PIN) at www.pin.ed.gov. The PIN will allow you to sign your FAFSA electronically and to correct your processed FAFSA information online. If you are providing parent information on the FAFSA, one of your parents must also apply for a PIN, in order to sign your application online.

3. Follow up on your FAFSA

You should receive, by e-mail or by mail, a Student Aid Report (SAR). If you do not receive a report, go to www.fafsa.ed.gov and select "Check the Status of a Submitted FAFSA."

4. Find out what aid is available

Stop by the Office of Financial Aid in Room A-124C to obtain information and necessary application forms. Check www.fastweb.com for a listing of scholarships for current college students.

BOGW (Board of Governor's Enrollment Fee Waiver) is a state-sponsored program that waives enrollment fees for qualifying students. You may be eligible for a fee waiver even if you are not eligible for other financial aid. Find out more in the College of Alameda Office of Financial Aid.

Search your community. Scholarships might be offered by community organizations; cultural or religious organizations that provide awards based on ethnic background, heritage or religion; or your or your parents' employers. Professors and academic advisors might know about opportunities within your area of study.

Financial Aid Applications are accepted throughout the academic year. Students are encouraged to apply as soon as possible. Some awards are subject to availability of funds.

YOU WANT TO TRANSFER TO A FOUR-YEAR COLLEGE OR UNIVERSITY?
START PLANNING NOW!

**VISIT THE COA TRANSFER CENTER IN ROOM A-124B (Cougar Village),
OR CALL (510) 748-2113.**

Attend COA's transfer programs and events.

The Transfer Center offers workshops and seminars on transfer topics, college information days including a Fall Transfer Day with representatives from more than 50 campuses, tours to local four-year college and universities, and access to a resource library of two- and four-year institution catalogs, directories, college videos, and other reference publications about higher education.

Meet with admissions representatives from local four-year colleges and universities.

Admissions representatives of four-year colleges and universities visit College of Alameda throughout the year. Ask at the Transfer Center for the monthly calendar of transfer activities and events, and make appointments to meet with representatives of the colleges and universities you are interested in when they come to campus.

Make sure you meet the four-year institution's transfer requirements.

You should check the catalog of the institution you are interested in transferring to, and make an appointment with a College of Alameda counselor to make sure you take the courses you need. Many students will find it best to follow the Intersegmental General Education Transfer Curriculum (IGETC), available in the Counseling Office (Room A-124B). See p. 52 of this course schedule for more information.

Get help from a COA counselor.

Counselors can guide you through the transfer requirements for UC and CSU schools as well as private and out-of-state colleges. Get help in filling out your applications for admission and transfer scholarships.

Take a class at UC Berkeley, CSU East Bay, San Francisco State University, Mills College, Holy Names University or JFK University while still at COA!

College of Alameda, in partnership with these colleges and universities, offers the opportunity for COA students to take one or more courses at these campuses, even before applying or being admitted, at no charge! See a counselor for details.

Take advantage of one of COA's GUARANTEED ADMISSION programs.

Special transfer agreements with UC Davis, UC Riverside, UC Santa Barbara and UC Santa Cruz and Cal State East Bay give qualified College of Alameda students a guarantee of an offer of admission. Go to the Transfer Center for details.
