Dear President Blake:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met May 7, 2015 to review the Substantive Change Proposal from College of Alameda for the new location: Science Annex, 860 Atlantic Avenue, Alameda, California, 94501.

The Committee acted to approve the proposal pending a site visit. The new location will require a federally mandated site visit by ACCJC staff and two evaluators within six months. Please contact me to schedule the visit.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring academic integrity, effectiveness and institutional quality.

Sincerely,

A handwritten signature in cursive script that reads "Susan B. Clifford".
