What are students able to do out in the world as the result of their experiences at COA?

1. Solve problems and make decisions in life and work using critical thinking, quantitative reasoning, community resources, and civil engagement.

2. Use technology and written and oral communication to discover, develop, and relate critical ideas in multiple environments.

3. Exhibit aesthetic reflection to promote, participate and contribute to human development, expression, creativity, and curiosity.

4. Engage in respectful interpersonal communications, acknowledging ideas and values of diverse individuals that represent different ethnic, racial, cultural, and gender expressions.

5. Accept personal, civic, social and environmental responsibility in order to be a productive local and global community member.
