COURSE DISTANCE EDUCATION ADDENDUM
College of Alameda
HIST 002B

Each proposed or existing course, if delivered by distance education, shall be separately reviewed and approved by the Curriculum Committee prior to being offered (Education Code Â§55378).

The Board of Governors (BOG) and the Peralta Community College District have defined a distance education course. A distance education course/section or session is defined as the use of technology utilized 51 percent or more of the time to deliver instruction during the course term and where the student and instructor are separated by distance. Furthermore, distance education courses may then be considered a virtual equivalent to a class-room-based course (California Community Colleges Distance Education Regulations and Guidelines).
