DROPPING A STUDENT FOR NONPAYMENT OF TUITION AND FEES

Payment Policy: *Students must pay all applicable fees no later than two (2) weeks before the beginning of the term. If a student owes more than \$800 in fees two weeks before the beginning of the term, all classes will be dropped. Students who add classes after the two week deadline, but before classes start, and owe more than \$800 in fees are required to pay all fees at the time they add classes, or all their classes will be dropped. Students who owe any fees as of the last day of enrollment will have a hold placed on their account so that they cannot enroll in future semesters or receive their transcript, and their debt may be sent to collections. For important dates, see the A&R website: <http://web.peralta.edu/admissions/>*

Installment Payment Plans: *Students who owe fees from the current or previous terms may opt to pay these fees through an installment payment plan. Students are required to pay at least \$25 of their owed fees and develop an installment payment plan prior to enrolling in classes. Students can only participate in one payment plan.*

Please refer to the PCCD A&R website on "Payment Policies" for more details: <http://web.peralta.edu/admissions/payment-policies/>

Student's Responsibility to Drop: *Dropping or withdrawing from a course is not an automatic process. It is the student's responsibility to drop the classes he/she is not attending. If the student does not drop a class, he/she will be charged and could receive an "F" grade that will appear on the student's permanent record.*
