College of Alameda-SLO Assessment Meeting (3:00-4:15 pm)

Meeting with Student Learning Outcomes Assessment Guru (Amanda Price)

Amanda is responsible for compiling the reports from Taskstream and meeting with Deans and Student Learning Outcomes and Assessment Coordinators (SLOACS) to discuss SLO reports.

Faculty is informed of the progress of their assessment plan and assessment findings for each course.

The SLO discussion take place also during department chair and academic senate meetings.

Goal is to continue to monitor classes to ensure that the assessment discussion is taking place during faculty division and department meetings
