Peralta's High School Concurrent Enrollment Program provides enrichment opportunities for high school students who can benefit from college level instruction.

Each College may admit a limited number of high school students who are under 18 years of age and who have exceptional ability, or who desire specialized or advanced training. Such admission must be with the recommendation of the high school counselor and principal of the high school in which the student is enrolled. **Other high-school students may be admitted on the basis of a contractual arrangement between the District and the high school of attendance (PDBP 4.05).** A student participating in the High School Concurrent Enrollment Program receives college credit. With the approval of the high school, the student may also receive high school credit. The Office of Admissions and Records will send a transcript to the high school upon request.

Because the student is enrolling in a college level course, the student must be assessed as required. The student must follow all the regulations and policies of the college, including adhering to any prerequisite requirements. It is recommended that the student bring a high school transcript to assist the college in determining the correct level of courses, (transcript required for approval to enroll in 6.5 to 11.5 units).

“Special part-time concurrently enrolled high school students are exempt from paying enrollment fees, however, full-time (enrolled in 12 or more units) concurrently enrolled high school students are subject to the California Community College enrollment fees.”

The Concurrent Enrollment Program is specifically designed to accelerate the academic or vocational career of high school students. Access to the Concurrent Enrollment Program is NOT allowed for:

1. Remedial work (Any classes in any discipline that are not college level and cannot be applied to an associate degree or higher are disallowed, basic skills course numbers are 250 or higher.)
2. Work to make up for failed high school or middle school classes
3. Recreation or hobbies
4. Any class that can be taken at the local high school

For further information, contact the Office of Admissions and Records, 333 E.8th St., Oakland, 94606 at (510) 466-7368.
